Only a 33-year veteran police lieutenant could truly understand what makes a knife effective for close-quarters defense. While serving as President and Chief Instructor of Tactical Defense Institute, John Benner continues to add to and improve his line of practical knives and accessories for law enforcement, military, and security personnel as well as civilians that look for a fast and efficient method of self-defense.

For most of his life Bob Dozier has made and sold knives that have been celebrated for their quality and field use. For almost two decades Bob Dozier has designed knives for KA-BAR.

Bob's Folding Hunter design is a KA-BAR favorite, celebrated amongst KA-BAR fans for its ruggedness that punches far beyond its price.

TDI/Hinderer knives are a collaboration between John Benner of TDI and custom knife maker, Rick Hinderer, owner of Hinderer Knives.

Based on their experiences as a veteran Police Lieutenant and Fire Fighter/EMT, these knives are designed for real-world emergency situations and are ambidextrous.
